Dear Dr. Butler:

On behalf of the University of West Florida, thank you for the recent gift from NDIA to establish and endow the *National Defense Industrial Association Scholarship*. This scholarship will not only lend a helping hand to students pursuing a degree in Engineering at the Fort Walton Beach campus, but will also recognize the chapter's generosity for years to come.

As you know, the University of West Florida has an outstanding reputation for providing students with a challenging and personal education that prepares them well for the next step in their lives. We appreciate the support of organizations like yours, in helping UWF to build upon this tradition of excellence.

Again, thank you for your investment in the important work of the University of West Florida. We are honored by your thoughtfulness and generous support.

Sincerely,

Dean Van Galen, Ph.D.
Vice President for Development

Thank you for your wonderful support of the UWF Engineering Program!
